Darcy Siggelkow

Question: What has been your experience with “Culture War Christianity” either personally or observed?

Read Matthew 5:44-45

Question: What are some truths that Jesus is saying here that speak to the values of the cultural war approach to Christianity?

Read Mark 10:42-45; Matthew 5:13-16

**It's not enough to be right about an issue.
We must be loving towards others.**

**If we frame the complex issues of life
into “right or wrong” binary terms,
we end up in dead legalism and rigid moralism.**

Read John 1:14

Questions: What are some of the consequences of following Jesus in a “binary” way as opposed to a “grace AND truth” way? What does a “grace and truth” approach look like in your life?

Read Colossians 4:5-6

This is a direct reference to Jesus’ words of being the salt of the earth.

Question: What “flavour” is your conversation / online posts in this World Gone Mad?

**When Christians lose their minds,
people lose their faith.**
