

Journey to Freedom: Egypt in Me

Darcy Siggelkow

**Not only did God need to get His people out of Egypt,
He needed to get Egypt out of His people,
as He does today.**

Theme question: How are we to live as people of light in time of darkness?

Read Acts 7:22

God is at work in your story.

Read Exodus 2:11–15

Question: When was the first time in your life you “looked around to make sure no one is watching” before you did something?

God is at work in your story.

The question is, are you willing to work with God?

Read Exodus 2:25; Isaiah 55:8; 2 Corinthians 10:3–4

Question: From what you know of the Kingdom of God, in what ways is it “up-side-right” compared to the “upside down” world around us?

Christians no longer get their primary identity from either Jesus or the church ... (but) through politics.

Rick Warren: The Purpose Driven Life

Read John 18:36

If you filter your biblical theology through your political ideology, it is idolatry.

Mark Batterson: The Circle Maker

Questions: What is the loudest voice in my head? What percentage of my thoughts is a regurgitation of media?

Followers of Jesus need to be people who operate in the opposite spirit from the spirit of the world. We want to be people who shift the atmosphere and stand in the gap as peacemakers, grace givers, and tone setters.

Mark Batterson

Read Colossians 4:5–6

- Live wise
- Make the most of every opportunity
- Let your conversation be gracious
- Let your conversation be...attractive or ‘seasoned with salt’

Questions: What do each of these points look like in your life, your conversations, your media posts? In what ways do they have “the flavor of Jesus”?
