

Is There Enough?

Dallas Siggelkow

Questions: When the pandemic started, what were you most concerned about running out of? Did you stock pile more of something than you needed? Was there a time during your life that was more “down” than today?

Read 2 Kings 4:1-7

Questions: What are some of the differences that you know of between being a widow and in debt 2,800 years ago compared to today? How can you relate to the tension between being a follower of Jesus and yet ending up in desperate situations?

**The seed of a miracle is always planted
in the dirt of a problem.**

Questions: When you’ve been in a desperate situation, why do you tend to see what you lack rather than what you have? What is an example from your life?

**God often does the extravagant through what seems
like nothing. Don’t diminish what you have.**

Question: What are the differences between the “tithe” as a percentage over a “flat fee”?

**God loves to partner with you,
even when it comes to the miraculous!
His abundance often follows our faith.**

Questions: Can you relate to what this woman might have felt? What benefits come out of God partnering with us over Him just doing it? What does gathering empty jars look like in your life? What does “starting to pour” look like?

Question: What is your experience with the three types of biblical giving – tithe, offerings, benevolence?

Read 2 Corinthians 8 and 9

Questions: What do you have that God is asking you to “pour out”? What is the miracle you are in need of right now?
