

# Planted in the House of the Lord

*Darcy Siggelkow*

**Question:** Are you a “I love yard work” person or a “I like rocks and gravel no maintenance” person?

**Read** Psalm 92:12–13

“The righteous” = the godly; people who love God and live for him.

“Flourish” = to come to maturity, be productive, reach your potential

“Cedar trees” = enormous, aromatic, durable

“Palm trees” = symbolic of triumph and victory

Both are evergreen; they stay green all year long

**Question:** Where are these trees planted?

**Read** Ephesians 2:19–22

“The House of the Lord” speaks of

- The Presence of God
- The People of God
- The Proclamation of God Word and Ways

**Read** Psalm 92:14–15

**Questions:** What does “flourishing” in this way look like in your life? What does it look like in your life to be “planted in the house of the Lord”?

**A step away from church is often  
the first step away from faith.**

**Faith is something we do together.**

**Questions:** What are some of the differences between “going to church” and “being planted in the house”? What does the picture of a “bare root tree” speak to about being a Christian? What is the difference between “going to church” and “being a part of the family”?

**The church is the presence of Jesus among His people,  
called out as a spiritual family,  
to pursue His mission on this planet.**

**Question:** What does being “planted” / involved look like for you?
