

Power in the Ponder

Dallas Siggelkow

Questions: What has been your strangest Christmas Eve experience? Are you the “get up early to make sure everything is ready” person on Christmas morning?

**Sometimes you don't know the value of a moment
until it becomes a memory.**

Dr. Suess

Read Luke 2:6-19

Questions: When have you been at a point in your life where it seems like you are far from your hopes, dreams, or expectations? How long of a period have you gone in your life without a sense of the awe and wonder of Jesus?

**Mary's circumstances didn't change
but the reminder of who this baby was
changed everything.**

Questions: In the midst of your “less than ideal” situation (you are in or have been in), what does it look like for you to ponder about Jesus? If you're a follower of Jesus and you look back on your life, when did Jesus show up that you weren't aware of at the time?

**Let those moments from the past
become treasures in the present.**
