

## Living in Light of His Coming

*Darcy Siggelkow*

**Questions:** How do you respond when family or a guest is coming to visit from out of town? What's your most memorable time when this happened?

The gospel message that has been told for centuries:

**Christ has died. Christ has risen.**

**Christ will come again!**

**What will it be like when Jesus returns?**

- **Jesus will return in person**

**Read** Acts 1:11

- **Jesus will return in glory**

**Read** Matthew 24:30; Titus 2:13

- **Jesus' return is imminent.**

The imminent return of Jesus is:

**The certainty that He is coming.**

**The uncertainty of when He will come.**

**Read** I Thessalonians 5:1-3

**Question:** This Scripture uses the suddenness of labour pains as an example of imminence. Can you think of another example?

**Questions:** With these examples, how does “living prepared” look? How does your hope in “that day” make a difference in how you live today?

**The goal in studying what the Bible says about Jesus' return is not to crack a secret code or connect current events with biblical prophecy but to live with a radical orientation around the moment we will see Jesus face to face.**

Chris Davis

**Read** Titus 2:11–14

**Questions:** How are you living your life today that reveals that you believe Jesus is coming again? What is one step you can take that will reorientate you towards this?
